

## Set of directions to BBG 023

Since it might be a little difficult to find your way to the GMA, we created a set of directions to help you out.

1. Find your way to the Victor J. Koningsberger building and enter through the main entrance.
2. Go up the stairs and walk straight ahead.
3. Follow the hallway and enter the Buys Ballot building.
4. Take the stairs down to the ground floor (0).
5. After entering the ground floor, go to your left hand side, through the yellow doors.
6. 023 is directly on your right hand side!
