

Image Policy SIB-Utrecht – Part of Privacy Beleid V2.0

SIB-Utrecht makes image and sound recordings of its members, visitors and other bystanders. In order to use recordings in which you are identifiable, we need your permission. You do this by agreeing to our Image Policy. You can choose to agree to internal promotion only, or to both internal and external promotion. You can also choose not to agree to both. The difference between external and internal promotion is only in the place where we post image and sound recordings. Internal promotion is promotion that is placed in places that can be seen by members of SIB-Utrecht and by alumni of SIB-Utrecht. External promotion takes place in places where non-members of SIB-Utrecht also have access to the recordings.

When you agree to both internal and external promotion and communication, you give us permission for a number of things. First of all, SIB-Utrecht may publish and reproduce recordings in which you are identifiable. SIB-Utrecht will never owe you or others any form of compensation for this.

When you agree, you also agree to transfer any neighbouring, copyright and portrait rights to SIB-Utrecht without any restriction. In addition, you agree to waive the right to invoke your personal rights.

If you want your images to be removed, you can do so by contacting us. We will then adjust or remove the material in question as soon as possible. This only applies to online publications; it is not possible to have your image removed from physical publications, such as printed matter.

If you do not agree with our image policy, or only with the internal part, we will ask you to agree to the above conditions per recording (image/sound). Furthermore, you have the right to withdraw your agreement at any time. You can do this by contacting us: info@sib-utrecht.nl.
